

From the **GANG**

Sunday November 30, 2008

It was a breezy "5th Sunday of the month" match. For those not familiar with HITWG we hold a match on the 5th Sundays that occur during the year.. And this was a great one for the 40 shooters that showed up to burn off some of the holiday spread that was consumed over Thanksgiving. What a great way to finish off the holiday week end!

It's always good to see all our friends from the south end of the cowboy world and they showed up in numbers;

We had a Raven, an Owl, and a Wild one

A Sawyer and a Mr. , Longarms's Son

A Saint, a Bandito

A Latino, and El Roberto

A winner's Eyes a glow'en

And a guy name Gary Owen

A Wacker and a Wiki

And some shotguns that were sticky

A Hoss, a Horn, a Mustang and a Mule

And a shooter that was looking for a squib removing tool

A Cave, A Coop, a JJ and a Candy

And some back up guns that came in kinda handy

A Slim, a Pecos, a Charley and a Max

A Tom, and an Iggy that was mixed up with the facts

An IROT, a Scott, a Lefty and a Doc

And a cowboy that wished he could be shooting with his Glock

A Timber, a Lil, and even an Ex

Good food good stages and a Safety for Tex

Some wind , a Rain and even a Smoke

And probably more shooters if we weren't all so broke !
