

**July 2007**

The weather man got it right!!!....100 degrees PLUS!!! Still, 47 shooters came out and joined us for the Fourth of July weekend. Taking into consideration the weather, our match director (Frito Bandito) designed six fun fast stages. Each shooter got their moneys' worth AND got out of the heat early (whew!). We had four clean shooters....Wild Bird, Doc Hollywood, Fredrick Jackson Turner and Mr. Wood which goes to show Frito's stages were just challenging enough. (Special note: Sgt Major O'Donnell shot the match using a Spencer rifle AND DID NOT finish last...Good job Sgt. Major!!!) Our overall male and female shooters were Tupelo Flash and Wild Bird. Outstanding performances you two!!!

Our long range winners were as follows:

Long Range Rifle Single Shot:  
Wyle One

Long Rand Lever Action Rifle:  
Sgt. Maj. O'Donnell

Long Range Pistol Rifle Cartridge:  
Aimless Lee

\*\*A GIANT and special thanks to Aimless Lee for doing an outstanding job in decorating the range for Fourth of July. And, as always, a big Thank You to Latin Gun and Latins' Lover for breakfast and lunch. If you've never had

one of their breakfast burritos or lunches....you don't know what you're missing!

Another special thank you to both Frito Bandito and Pick Pocket; Frito for designing and setting up the match and Pick Pocket for brush clearing at the loading and unloading tables.

Speaking of set up and brush clearing....the Saturday before each Sunday match we ALWAYS need help seting up and with basic maintenance of the range. This helps to keep the fire hazard down and readies the range for Sundays' match. We clean-up, move and set up targets beginning at 9:00 am and are usually done around noon. Some form of lunch is provided. If you can lend us a hand, the next work party is Saturday August 4 and the match is Sunday August 5. We hope to see you there!!!

The next couple of months will be HOT HOT HOT...so PLEASE....HYDRATE, HYDRATE, HYDRATE!!! Water is available under the shade cover and on bay 2. Water donations are ALWAYS appreciated AND you can earn a Spirit of the Game Card.

Start thinking about the Turkey Shoot...applications should be on line soon or available at the range by the beginning of August.

One more Thank You to Sawyer Wood  
for volunteering to run the trash down  
the hill... THANKS, Sawyer!!!

See you on the range SOON!

As most of you know, I'm getting ready  
for Gastric Bypass Surgery so Miss  
Sandy and I won't be there for the  
August and September matches. We'll  
keep you posted on my 'speedy'  
recovery...and THANK YOU ALL for  
your well wishes and support.....it  
means so much to the both of us!!!
